Transit**

WHY CHOOSE US

From Concept to Creation, We Deliver

At T&F Textiles, we deliver high quality custom apparel with a focus on craftsmanship, durability, and brand identity. We offer flexible MOQs, reliable production timelines, and a smooth process from concept to delivery, ensuring your products meet the highest standards every time.

HOW IT WORKS

FROM INQUIRY TO YOUR DOORSTEP

A transparent, straightforward process designed for international buyers.

1. Submit Your Brief Share product type, quantity, branding needs, and destination country via our quote form.

2. Receive a Quote We respond within 24–48 hours with a detailed quote including per-unit cost and shipping estimate.

3. Approve Sample We dispatch a physical sample (7–10 business days) for your approval before bulk production begins.

4. Production Bulk manufacturing begins after deposit. You receive regular production updates throughout.

5. QC & Ship Pre-shipment quality inspection, then Trade & Freight Transit handles all documentation and delivery.
